

Lust & Laune Rot 2023

As already implied in the name, our Lust & Laune red wine offers pure drinking pleasure. Drawn from the long-established Portugieser vineyards – a varietal that is already becoming very rare, year on year we press in combination a fruity, mild red wine that, perhaps also chilled, can complement every pleasurable occasion.

- › Refined, unobtrusive aroma of fresh red berries, finely structured on the palate with smooth, pleasantly integrated tannin, charming, elegant, uncomplicated wine, gentle finish
- › Ideal foil for tomatoes with mozzarella, carpaccio, Italian pasta dishes or as accompaniment to a hearty barbecue.
